

Service Announcement Notice of Temporary Lane Restrictions on Pickering Parkway

Further construction activities on the Pedestrian Bridge (Metrolinx Project - contracting the services of APlus) will include the installation of the covering shroud over the glass walkway. To accommodate the overhead work, there will be lane restrictions on Pickering Parkway. This work is to be done at night, due to lower traffic volumes.

Purpose: Pedestrian Bridge Work over Pickering Parkway (**night work**)

Duration: October 7, 2013 to November 8, 2013 (approximately 4 weeks).
From 8:00pm to 6:30am.
